The council members suggested to provide the details of scholarship offered.

Review of admission status for the academic year 2025-2026.

The Council members reviewed the admission statistics of first-year students. It was observed that there is gradual increase in the admission in the current year. Also there is a scope for improving the cutoff marks of newly admitted students. The Council advised to take appropriate measures to enhance the quality of student intake in the upcoming academic year by increasing the admission cutoff and strengthening outreach initiatives to attract meritorious candidates.
